Members – Last Viewed

There is a Last Viewed button on the Member Search and the Members screen that you can use to recall the last member you were working with.

Top right of the Member Search screen

Top right of the Members screen

When you click the Last Viewed button you will see a list of the last 10 members that you have viewed.

Click on any of the names to go back to that record. The system will store the last 10 members that were viewed for each user.
